RE: T126 Tech Pak Canada Inc.

07/03/01 q1 Tech Pak Gel Ice Pack

This is in reference to your letter dated January 15, 2001, concerning the aforementioned ice pack for which you have requested acceptance for use in federally registered food establishments.

Based on the available information, no objection would be taken to the use of the above ice pack for packaging of fresh meat, fish at refrigerated and frozen temperatures.

This acceptance is not to be misconstrued as an endorsement for this or similar ice packs, and their use in Registered Establishments will depend upon their continued acceptability to all concerned.

Should any changes occur in the chemical formulation of the aforementioned ice pack, then this acceptance will be considered NULL and VOID.

Yours truly,
